WORK EXPERIENCE		
Freelancer	Instructor	Till Date
Corporate Employee Training	 Scotland headquartered Large Energy & Resources company operating in over 70 countries Training provided: Big Data Hadoop and Apache Spark & Scala Programming India headquartered Global Leader in IT Services, Consulting, Technology and Digital Solutions Training Provided: Big Data Hadoop Technology US based Health Insurance services provider Training Provided: Big Data Hadoop Technology US based Retail services provider Training Provided: Big Data Hadoop Technology 	
	Top companies worked with TCS, Robert Bosh, Dell, Weir En Sci, Maveric Systems	
	· ·	
Online Training	• Trained 50 batches between 500+ student's per batch, on Big Data Hadoop Technology	
	■ Trained 40 batches between 100+ student's per batch, on Apache Spark and Scala Programming	
		6-Oct18'
IT Consultancy	• Analytics for multiple companies in USA, using Hadoop and Apache Spark and Scala	
	- Feature extraction using Data Frames , RDD , SQL Context and UDF	
	- Performance Optimization for Data Processing	
	Analysis using functional programming of Scala	
	- Case Classes and Pattern Matching	
		013-2016
	Worked in Data Science - Cyber security Analytics	2013-16
	- Real Time Log for Data Analysis	
Roles & Responsibilities	• Real time Log Analysis using Hadoop and Apache Spark with Scala	
Roles & Responsibilities	 Real time Log Analysis using Hadoop and Apache Spark with Scala Created, tracked and resolved the network incidents logged, using the BMC remedy ticketing system 	
Roles & Responsibilities	 Real time Log Analysis using Hadoop and Apache Spark with Scala Created, tracked and resolved the network incidents logged, using the BMC remedy ticketing system Provided solutions to clients by remotely accessing the systems in real time, at a proficient level 	2013-16 2013-16
Roles & Responsibilities	 Real time Log Analysis using Hadoop and Apache Spark with Scala Created, tracked and resolved the network incidents logged, using the BMC remedy ticketing system Provided solutions to clients by remotely accessing the systems in real time, at a proficient level Successfully completed certification of BIG DATA in Hadoop and Apache Spark offered by WRO 	2013-16 2013-16
Roles & Responsibilities	 Real time Log Analysis using Hadoop and Apache Spark with Scala Created, tracked and resolved the network incidents logged, using the BMC remedy ticketing system Provided solutions to clients by remotely accessing the systems in real time, at a proficient level Successfully completed certification of BIG DATA in Hadoop and Apache Spark offered by WRO WILEY, USA 	2013-16 2013-16 X 2013-16
Roles & Responsibilities Achievements	 Real time Log Analysis using Hadoop and Apache Spark with Scala Created, tracked and resolved the network incidents logged, using the BMC remedy ticketing system Provided solutions to clients by remotely accessing the systems in real time, at a proficient level Successfully completed certification of BIG DATA in Hadoop and Apache Spark offered by WRO 	2013-16 2013-16 X 2013-16
	 Real time Log Analysis using Hadoop and Apache Spark with Scala Created, tracked and resolved the network incidents logged, using the BMC remedy ticketing system Provided solutions to clients by remotely accessing the systems in real time, at a proficient level Successfully completed certification of BIG DATA in Hadoop and Apache Spark offered by WRO WILEY, USA Successfully completed certification in ITIL foundation from PEOPLECERT 	2013-16 2013-16 X 2013-16 2013-16
	 Real time Log Analysis using Hadoop and Apache Spark with Scala Created, tracked and resolved the network incidents logged, using the BMC remedy ticketing system Provided solutions to clients by remotely accessing the systems in real time, at a proficient level Successfully completed certification of BIG DATA in Hadoop and Apache Spark offered by WRO WILEY, USA Successfully completed certification in ITIL foundation from PEOPLECERT Successfully completed certification in Blockchain Technology from IIT Kharagpur 	2013-10 2013-10 X 2013-10 2013-10
	 Real time Log Analysis using Hadoop and Apache Spark with Scala Created, tracked and resolved the network incidents logged, using the BMC remedy ticketing system Provided solutions to clients by remotely accessing the systems in real time, at a proficient level Successfully completed certification of BIG DATA in Hadoop and Apache Spark offered by WRO WILEY, USA Successfully completed certification in ITIL foundation from PEOPLECERT Successfully completed certification in Blockchain Technology from IIT Kharagpur Received multiple appreciations from managers and won 'Spot award' for showing dedication in work and for successfully training the company new hires in project processes. 	2013-16 2013-16 X 2013-16 2013-16
Achievements	 Real time Log Analysis using Hadoop and Apache Spark with Scala Created, tracked and resolved the network incidents logged, using the BMC remedy ticketing system Provided solutions to clients by remotely accessing the systems in real time, at a proficient level Successfully completed certification of BIG DATA in Hadoop and Apache Spark offered by WRO WILEY, USA Successfully completed certification in ITIL foundation from PEOPLECERT Successfully completed certification in Blockchain Technology from IIT Kharagpur Received multiple appreciations from managers and won 'Spot award' for showing dedication in work and for successfully training the company new hires in project processes. 	2013-16 2013-16 X 2013-16 2013-16 2013-16
Achievements ACADEMIC PROFIL	 Real time Log Analysis using Hadoop and Apache Spark with Scala Created, tracked and resolved the network incidents logged, using the BMC remedy ticketing system Provided solutions to clients by remotely accessing the systems in real time, at a proficient level Successfully completed certification of BIG DATA in Hadoop and Apache Spark offered by WRO WILEY, USA Successfully completed certification in ITIL foundation from PEOPLECERT Successfully completed certification in Blockchain Technology from IIT Kharagpur Received multiple appreciations from managers and won 'Spot award' for showing dedication in work and for successfully training the company new hires in project processes. 	2013-16 2013-16 X 2013-16 2013-16 2013-16
Achievements ACADEMIC PROFIL MCA	 Real time Log Analysis using Hadoop and Apache Spark with Scala Created, tracked and resolved the network incidents logged, using the BMC remedy ticketing system Provided solutions to clients by remotely accessing the systems in real time, at a proficient level Successfully completed certification of BIG DATA in Hadoop and Apache Spark offered by WRO WILEY, USA Successfully completed certification in ITIL foundation from PEOPLECERT Successfully completed certification in Blockchain Technology from IIT Kharagpur Received multiple appreciations from managers and won 'Spot award' for showing dedication in work and for successfully training the company new hires in project processes. 	2013-16 2013-16 2013-16 2013-16 2013-16 2013-2016
Achievements ACADEMIC PROFIL MCA BCA	 Real time Log Analysis using Hadoop and Apache Spark with Scala Created, tracked and resolved the network incidents logged, using the BMC remedy ticketing system Provided solutions to clients by remotely accessing the systems in real time, at a proficient level Successfully completed certification of BIG DATA in Hadoop and Apache Spark offered by WRO WILEY, USA Successfully completed certification in ITIL foundation from PEOPLECERT Successfully completed certification in Blockchain Technology from IIT Kharagpur Received multiple appreciations from managers and won 'Spot award' for showing dedication in work and for successfully training the company new hires in project processes. E Nitte Meenakshi Institute Of Technology, Bangalore CMRIMS, Bangalore 	2013-16 2013-16 X 2013-16 2013-16 2013-16 2013-2016 2007
Achievements ACADEMIC PROFIL MCA BCA Class XII	 Real time Log Analysis using Hadoop and Apache Spark with Scala Created, tracked and resolved the network incidents logged, using the BMC remedy ticketing system Provided solutions to clients by remotely accessing the systems in real time, at a proficient level Successfully completed certification of BIG DATA in Hadoop and Apache Spark offered by WRO WILEY, USA Successfully completed certification in ITIL foundation from PEOPLECERT Successfully completed certification in Blockchain Technology from IIT Kharagpur Received multiple appreciations from managers and won 'Spot award' for showing dedication in work and for successfully training the company new hires in project processes. E Nitte Meenakshi Institute Of Technology, Bangalore CMRIMS, Bangalore Agragami Compu PU College, Bangalore Gulabi Girls Higher Primary School, Bangalore 	2013-16 2013-16 X 2013-16 2013-16 2013-16 2013 2010 2007
Achievements ACADEMIC PROFIL MCA BCA Class XII Class X	 Real time Log Analysis using Hadoop and Apache Spark with Scala Created, tracked and resolved the network incidents logged, using the BMC remedy ticketing system Provided solutions to clients by remotely accessing the systems in real time, at a proficient level Successfully completed certification of BIG DATA in Hadoop and Apache Spark offered by WRO WILEY, USA Successfully completed certification in ITIL foundation from PEOPLECERT Successfully completed certification in Blockchain Technology from IIT Kharagpur Received multiple appreciations from managers and won 'Spot award' for showing dedication in work and for successfully training the company new hires in project processes.
