K.P.H.B Hyderabad

## SUMMARY

My name is Dileepsurya. I am from Andhra Pradesh and I relocated to Hyderabad. My skills are Python, C language and AutoCAD. In Python, I have basic knowledge in 'Numpy', 'Pandas', 'Matplotlib' and 'Seaborn' libraries as well as in C programming also in AutoCAD and to create a figure and I will identify parameters to visualize in fluent software. My interests are in 'Python', Data analysis. I have an immense amount of knowledge in Seaborn to visualize the different types of plotting figures. Currently, I am fresher and looking for a good opportunity to do the job.
